

The Beach Club at St. Augustine Beach is proud to announce their affiliation with the RCI Points program. You have all the benefits of the traditional vacation exchange program—RCI Weeks—plus a lot more. RCI Points brings you a more flexible way to vacation and represents the future of vacationing.

- Choose where, when, and how long to vacation
- Decide for yourself the size of your accommodations
- Use your Points for airfare, car rental, hotel stays, cruises, and more
- Save your Points for the next year if you have some left over
- Borrow Points from your next year’s allotment if you need more this year.
- Transfer your RCI Points to another RCI Points Member

To convert your week(s) into points there is a one time conversion fee of \$1795 (1st year membership in Points is included).

If you purchase an **additional week**, you can convert all your weeks into points for \$995 (1st year membership in Points is included).

Additional weeks range from \$2,000 - \$3,000 for a one bedroom and \$4,500 - \$5,500 for a two bedroom. (See SALES for details).
